• Tap install. If the device asked for a security scan, tap don't send

• The app will start after the installation process is complete

Notes

- You must have an account setup on the V2 i4M Cloud Server. See OPS GUIDE MAPS V02.pdf for more details.
- To login to the i4M Cloud Server on the Android tablet, see https://paasystems.com/factory/electrical/controllers/docs/guideVR2.pdf (Page 15)
